

Association of Employees Supporting Education Services

University of Winnipeg Scholarship Policy

The Association offers two scholarships annually to its membership. Each scholarship shall be valued at \$1000. The two scholarships will be awarded to the two students with the highest standing.

The scholarships are open to dependent* children of a regular current (as defined in the AESES Collective Agreement), retired, or deceased AESES member**.

To be eligible for a scholarship the undergraduate applicant must be a full-time student enrolled in a degree credit program and must have successfully completed, in a Fall/Winter Term, at least sixty percent of a full or normal course load, i.e., 18 credit hours or more. A minimum cumulative grade point average of 2.5 is required. The student must also register in full-time study for the subsequent year of undergraduate study.

Applications must be received in the AESES Business Office by June 30th.

A selection committee will be comprised of a University of Winnipeg and a University of Manitoba Awards Selection Officer.

* “Dependent children” means: any unmarried natural child, adopted child or step-child including any child for whom the member has been appointed legal guardian, who is chiefly dependent on the member for support and maintenance, up to 25 years of age. NOTE: If the student turns 25 years of age before the academic year in which the scholarship money is being used, then such student is ineligible.

** Those members who have signed an AESES Membership Application.
