NOTE: A detailed index can be found at the back of this Collective Agreement.

ARTICLE 1 OBJECT

- 1.1 The object of this Collective Agreement in establishing terms and conditions of work, hours of work, wages and salaries is to promote cooperation and harmony between Employer and Employees, so that the University, as a public institution, is successful in its promotion of higher education, and accordingly, but without limiting the generality of the foregoing, to facilitate the peaceful adjustment of all disputes and grievances, to prevent strikes, lockouts, waste, avoidable expenses, and unnecessary delays.
- 1.2 While this Collective Agreement is in force:
- (a) The Association shall not declare or authorize a strike of the Employees; and
 - (b) The Employer shall not declare or cause a lockout of the Employees.

ARTICLE 2 DEFINITION AND SCOPE

- 2.1 The term "Employee" or "Employees" wherever used in this Collective Agreement means all the employees of the Employer for whom the Association is the bargaining agent, as set forth in the Certification Order #MLB-4020 dated June 27, 1986, and any amendments thereto or by Collective Agreement.
- 2.1.1 The unqualified term "working day" means any of the days in the interval from Monday to Friday.
- 2.1.2 The term "appropriate Manager" means the appropriate Dean, Director (Manager) or University Librarian, or his/her designate, or the person(s) authorized to act for any of the above in his/her absence.
- 2.1.3 Spouse: The person declared by the Employee who:
- (a) is legally married to the Employee; or
 - (b) although not legally married to the Employee, cohabits with the Employee in a conjugal relationship for a period of not less than one year who has been publicly represented as the Employee's spouse. The term conjugal relationship shall include a conjugal relationship between partners of the same sex.
- The Employee may only have one declared spouse for the purpose of this Collective Agreement.
- 2.1.4 References to any of the following officers include references to their designate(s) and to those who are authorized to act for the officers or designates in their absence (to the

extent that both Parties have been notified of the identity of the designate(s) and persons so authorized):

- (a) Business Agent of the Association;
- (b) Vice-President (Human Resources, Audit and Sustainability) of the University;
- (c) President of the Association;
- (d) President of the University;
- (e) Vice-President (UW) of the Association;
- (f) Contract Administrator of the Association;
- (g) Vice-President (Finance & Administration) of the University;
- (h) Vice-President (Academic) of the University; and
- (i) Vice-President (Students and International) of the University.

2.2 For the purposes of interpreting the section of Certification Order #MLB-4020 describing persons excluded from certification, other than those excluded by the Act, the following definitions shall apply:

2.2.1 Academic staff refers to professors, associate professors, assistant professors, lecturers, instructors, professional librarians, post doctoral fellows and research associates.

2.2.2 Persons employed primarily in an academic capacity means teaching assistants, research assistants, demonstrators, graders, markers, tutors and instructors.

For the purpose of Clauses 2.2.1 and 2.2.2 the following definitions will apply:

POST-DOCTORAL FELLOW

A post-doctoral fellow is a scholar with a doctorate degree who has been awarded, in competition, support in the form of a fellowship to gain further knowledge of research through collaboration with faculty members.

RESEARCH ASSOCIATE

A research associate conducts research independently or in collaboration with faculty members. While the primary responsibility of the research associate is to carry out research, duties may include on-site supervision of the research activities of students and technical personnel.

RESEARCH ASSISTANT

A research assistant is a full-time student or a part-time student with at least two (2) F.C.E.'s in an academic year, who is working toward a degree at the University of Winnipeg and is appointed for a limited time to assist in the research of a faculty member provided the research is in a subject area which is related to the undergraduate degree sought. Otherwise the student is a member of the bargaining unit.

SENIOR RESEARCH ASSISTANT

A senior research assistant is a full-time graduate student or a part-time graduate student with at least two (2) F.C.E.'s in an academic year, who is currently working toward a graduate degree and is appointed for a limited time to assist in the research of a faculty member provided the research is in a subject area which is related to the graduate degree sought. Otherwise the student is a member of the bargaining unit.

INSTRUCTOR

An instructor is a person whose primary responsibility is to disseminate knowledge through teaching. Teaching shall be deemed to include development, design, organization, preparation, presentation and evaluation of individual credit or non-credit courses.

- 2.3 The Parties recognize that a person employed by the Employer in more than one (1) position may be excluded from the bargaining unit with respect to one (1) position and included in the bargaining unit with respect to another position.
- 2.3.1 Employees who are excluded from the bargaining unit during their term of office as a result of an appointment to the Board of Regents, shall continue to accumulate and have seniority for the purposes outlined in Clause 8.4, and shall have recourse through the grievance and arbitration procedure as outlined in Article 21.
- 2.4 Persons whose positions are excluded from this Collective Agreement shall be permitted to perform work similar to that of members of the bargaining unit only where the work is for experimentation, instruction, resolving emergencies, or where the work is incidental to the performance of their regular duties and provided that the act of performing the aforementioned operations in itself, does not reduce the regular hours of work of any regular Employee.
- 2.5 The Human Resources Department will inform the Association in writing within a reasonable time of new excluded positions created by the Employer which are in areas closely related to the AESES certification or positions which are presently in the AESES bargaining unit and are withdrawn due to a change in duties. Upon written request from the Association the Human Resources Department shall provide the Association with a copy of the new position description, if one exists. Positions which are in doubt will be discussed and if agreement cannot be reached, the Manitoba Labour Board may be asked to rule.
- 2.5.1 When a previously excluded position is to be included within the bargaining unit, then the position shall be filled in accordance with the provisions of Article 6, unless it already fulfils these provisions.

2.6 EMPLOYEE CATEGORIES (Regular, Temporary, Term, Casual)

- (a) A regular Employee is one who is employed in a continuing or sessional position as defined in Clause 2.6.1.
- (b) A term Employee is one who is employed in a term position as defined in Clause 2.6.1. A regular Employee who has not received a notice of position discontinuance and who is appointed to a term position shall at the end of that term position return to his/her former regular position. During the appointment to the term position the Employee shall continue to be treated as a regular Employee for purposes of vacation, sick leave and staff benefits entitlement.
- (c) A temporary Employee is one who is employed in a temporary position as defined in Clause 2.6.1.
- (d) A casual Employee is one who is not employed in a position as defined in Clause 2.6.1. Casual employment is work on an irregular, nonrecurring basis (not longer than one (1) pay period). If it is determined that the employment circumstances do not satisfy the definition of a casual Employee, the Employee shall be deemed to be a temporary Employee in a temporary position from the date of such a determination.

2.6.1 POSITION CATEGORIES (Continuing, Sessional, Term, Temporary)

A position has an established schedule of hours of work from pay period to pay period, whether expressed or implied, including the terms of a modified work week. Positions are categorized according to the expectation of the person requiring them to be filled.

- (a) A continuing position is one which, when filled, is expected to exist for at least three (3) months from the date it is filled and has no specified end date.
- (b) A sessional position is a continuing position which is subject to seasonal lay-off.
- (c) A grant funded position is a position which is principally funded by a source external to the University of Winnipeg. Principally funded shall mean positions which are funded more than fifty (50%) percent by a source other than the University of Winnipeg.

A funding source external to the University of Winnipeg does not include entities which are directly affiliated to the University of Winnipeg such as, but not limited to Community Renewal Corporation (CRC), and the University of Winnipeg Foundation.

- (d) A term position is a position which when filled, is expected to exist beyond three (3) months but not beyond eighteen (18) months. If a term position continues

beyond eighteen (18) months, it shall become a continuing or sessional position (as is applicable) and be posted in accordance with Clause 6.1. In exceptional circumstances a term position may be extended beyond eighteen (18) months without becoming a continuing or sessional position upon mutual agreement between the Employer and the Association.

Grant Funded positions shall be considered as term positions only if the funding is for a specific period of time not exceeding eighteen (18) months. Grant funded positions which continue beyond eighteen (18) months shall become either a Continuing or Sessional position (as is applicable) unless the the Employer and the Association agree otherwise through a Letter of Understanding.

(e) A temporary position is a position which, when filled, is not expected to continue beyond three (3) months. If a temporary position continues beyond three (3) months, it shall become a continuing, sessional or term position and be posted in accordance with Clause 6.1, unless the posting requirement is bypassed by mutual agreement between the Employer and the Association. A temporary position may be extended beyond three (3) months without becoming a continuing, sessional or term position upon mutual agreement between the Employer and the Association. An Employee can only be hired in one temporary position per classification per department in any one (1) twelve (12) month period unless otherwise agreed by the Association.

(f) Temporary Replacement Positions

Where the Employer requires to fill a position in order to replace an employee who is absent due to a Leave of Absence Without Pay, Maternity/Parental/Adoption Leave, Sick Leave or Long Term Disability then the position shall exist for the length of the Leave, to a maximum of thirty (30) months.

In cases where the Employer is aware at the outset that the replacement will be for more than three (3) months, the position shall be posted in accordance with the collective agreement.

2.6.2 HOURS OF WORK CATEGORIES (Full-time, Part-time)

"Full-time" and "Part-time" may prefix Employee categories or the general term "Employee", to describe the hours worked by an Employee, and may prefix position categories or the general term "position" to describe the hours of work required in a position.

(a) "Full-time" means those hours of work set out in Clause 11.1 including the terms of a modified work week.

- (b) "Part-time" means those hours of work less than full-time that:
- (i) are fixed in that they follow a regular pre-determined schedule; or
 - (ii) although scheduled in advance, are not fixed.

- 3.1 The Employer recognizes the Association as the exclusive representative of all Employees covered by this Collective Agreement. The Employer recognizes that every Employee has the right to join and support the Association and that the Employer cannot interfere with the formation, selection, or administration of the Association, in accordance with the Manitoba Labour Relations Act.
- 3.2 The Employer agrees to provide the Association with space for an office, an internal telephone, and normal and reasonable use of the internal mail service. The costs of developing the space provided for an office shall be borne by the Association. Other services, including but not limited to, long distance calls, external mail, photocopying, and printing, shall be provided at internal rates. Priority for these services will be on the same basis as is afforded other internal users.
- 3.2.1 The Employer shall provide two (2) bulletin boards at appropriate locations for the use of the Association. The Association shall have the right to post upon these boards notices relating to matters of interest to the Association and to Employees.

- 3.2.2 The Association shall receive the following information, in a mutually agreed upon media, on all members of the bargaining unit: full name, sex, birth date, classification and step, Position Vacancy number of most recent appointment where applicable, hours of work, Employee code, home address, home telephone number, department, campus address, annual salary, seniority, start date, dues deducted in the month and salary and dues accumulated year to date. The information will be provided monthly, based upon the information as of the last day of the last pay period in the month.
- 3.2.3 The Employer shall provide the President of the Association with the following specific information:
- (a) annually and within ten (10) working days of any change, a list of support staff positions excluded from the bargaining unit;
 - (b) at the same time they are sent to the members, the agendas, meeting materials and minutes of meetings of the Board of Regents, except closed meetings relating to labour relations matters.
- 3.3 The Vice-President (UW) of the Association or designate has the right to attend, as a non-voting observer, all meetings of the Board of Regents and shall be bound by its rules. Further, the Vice-President (UW) of the Association shall withdraw from closed meetings of the Board of Regents when items considered relate to labour relations matters. The Vice-President (UW) of the Association shall have the right to speak on matters before the Board.
- 3.4 Persons doing business with or for the Association shall have the right of free and reasonable access to the University during such hours as the University is open.
- 3.4.1 Persons representing the Association shall be permitted admittance to any location on campus for the purpose of calling on the Employee(s), providing such admittance shall not interfere unreasonably with the operations of the University. Admittance may not be permitted to animal holding rooms or other such locations to which, for health, safety, or security reasons, it is necessary that admittance be restricted to essential personnel.

ARTICLE 4 EMPLOYER'S RIGHTS

- 4.1 The Association recognizes the right of the Employer to control and supervise all operations and direct all working forces, including the right to determine the Employee's ability, skill, competence, and qualifications for the job and to hire, discharge, lay-off, suspend, discipline, promote, demote or transfer an Employee, and to control and regulate the use of all equipment and property and promote efficiency in all operations, provided, however, that in the exercise of the foregoing Employer's rights, the University shall abide by the provisions of this Collective Agreement.

- 4.1.1 In administering this Collective Agreement, the Employer shall act reasonably, fairly, in good faith and in a manner consistent with the Collective Agreement as a whole.
- 4.1.2 Where management approval is required under this Collective Agreement and is withheld, the Employee shall, upon request, be given reasons in writing for the decision.

ARTICLE 5 REPRESENTATIVES, COMMITTEES AND MEETINGS

- 5.1 No individual Employee or group of Employees shall undertake to represent the Association at meetings with the Employer without proper authorization of the Association. In order that this may be facilitated, the Association shall keep the Employer informed at all times as to the names of its officers and employees, and members who may be appointed or elected from time to time to any bargaining or joint committee. Similarly, the Employer will supply the Association with a list of its administrative personnel with whom the Association may be required to transact business.
 - 5.1.1 Where Letters of Understanding are agreed to by the Parties hereto during the term of this Collective Agreement, they shall be signed for the Employer by the Vice-President (Human Resources, Audit and Sustainability) of the University, and for the Association by the Contract Administrator of the Association and Business Agent of the Association.
 - 5.1.2 Unexpired Letters of Understanding between the Parties, if identified in the letters as Letters of Understanding, shall be deemed to be part of this Collective Agreement. Whenever possible, duration or end date will be specified in such letters.

5.2 ASSOCIATION DUTIES

The Employer recognizes the role of the Association's officers and bargaining team in labour management relations, and shall not discriminate against them. Provided that the needs of the Employee's department can be met, the Employer shall approve requests for absence from work with usual remuneration to enable Employees to represent the Association on the following basis:

- (a) in the case of the Contract Administrator of the Association, reasonable time for the investigation and processing of grievances;
- (b) in the case of meetings between the Association and the Employer, attendance by a number of Employees not greater than the Employer's representation;
- (c) in the case of the hearing of an arbitration between the Association and the Employer, attendance by the grievor(s) who initiated the Employee grievance and

one (1) other Employee representing the Association; and

- (d) in the case of collective bargaining meetings between the Association and the Employer (whether or not with a Conciliation Officer), attendance by up to five (5) Employees to a maximum of 420 person hours.

If the maximum of 420 person hours is reached, the representatives of the Association shall continue to receive their usual remuneration from the Employer, however, the Association shall reimburse the Employer for said time in excess of the maximum.

- (e) in the case of the Vice-President (UW) of the Association reasonable time to attend:

- i) University meetings in accordance with Clause 5.2(b); and
- ii) University functions when invited as a representative of the Association.

5.2.1 "Usual remuneration" required to be paid shall mean the Employee's regular hourly salary for the number of hours spent at said meetings up to the Employee's normal hours of work per day but not including any overtime.

5.3 LABOUR-MANAGEMENT RELATIONS COMMITTEE

A Labour-Management Relations Committee shall be appointed consisting of three (3) representatives from each of the Association and the Employer. The Committee shall meet a minimum of four (4) times per year for the purpose of discussing all matters of mutual concern. The Committee shall have power to make recommendations to the Association and to the Employer. Reasonable time spent by Employees in carrying out the bona fide functions of the Committee, where it falls during the Employee's regular working hours, shall be considered as time worked at regular rates.

ARTICLE 6 POSITION POSTING, TRANSFERS, SELECTION FOR VACANCY, PROBATIONARY PERIOD AND TRIAL PERIOD

6.1 POSITION POSTING

Where the Employer requires that a continuing, sessional or term position be filled, the Employer shall post a Position Vacancy notice on the Human Resources website for a minimum of five (5) working days prior to the date of closure. Applications shall be accepted until noon on the next following Monday for position vacancy notices which list the date of closure as a Friday. For identification purposes, Position Vacancy notices shall be serially numbered within each calendar year. A copy of the Position Vacancy notice will be sent to the Association office.

- 6.1.1 The Position Vacancy notice shall include the following information if it is applicable: Position Vacancy number, classification, principal source of funding (budget funded or grant funded), qualifications appropriate to the classification and the position, position duties, salary range, hours of work (where the hours of work are not fixed some indication of the potential hours shall be provided), date of closure, tentative start date, position category, position status (new or existing), and the date of posting. Also, if it is applicable, the end date and seasonal lay-offs or shutdowns will be included.
- 6.1.2 A Position Vacancy notice will not normally be posted for:
- (a) a position vacancy that is to be filled by transfers arranged by the Human Resources Department in accordance with Clause 6.2;
 - (b) a position vacancy to be filled by a recall of a laid off Employee, in accordance with Article 10;
 - (c) a temporary position; or
 - (d) casual employment.
- 6.1.3 Any Employee may apply by email or in writing for any position vacancy on or before the closing date indicated on the Position Vacancy Notice.
- 6.1.4 Where the Employer intends to post a part time continuing, sessional or term position and that position was previously posted as full time, then, prior to posting, the Employer shall inform the Association.

6.2 TRANSFERS

The Employer may transfer an Employee into a vacant position at the same classification level, bypassing the normal posting and selection procedures, as is required by the Collective Agreement. Human Resources will advise AESES of these transfers. Otherwise, transfers require the mutual agreement of the Association and the Employer.

- 6.2.1 No Employee shall be transferred to a position outside the bargaining unit without his/her consent.

6.3 SELECTION FOR VACANCY

Whenever possible, selection of the successful applicant for a posted position shall be made within fifteen (15) working days of the posted date of closure. When making a selection for a vacancy, the Employer shall consider qualifications which are demonstrably applicable to the position. The Employer agrees that Employees with seniority shall have preference in connection with appointments so far as it is practicable to do so, provided that their qualifications are relatively equal. A senior Employee will not be denied the posted position solely on the basis that a temporary or term appointee is more qualified by virtue of having filled the position on a temporary basis.

N.B. Clause 10.5.1(a) provides for separate and different selection procedure criteria with regard to applications for vacancies made by laid off regular Employees or term Employees with at least 2.00 years of service.

6.3.1 Within five (5) working days following the selection, the successful applicant shall be notified in writing of:

- (a) the formal offer of appointment to the position; and
- (b) the actual start date.

6.4 When an Employee is the successful applicant for a posted position, his/her salary shall be adjusted to the salary of the new position on the actual start date of the new position.

6.5 NOTICE OF SELECTION DECISION RESULTS

Within five (5) working days of the Saturday of each week in which either a posted position is filled or it is found that no applicant was successful, the Employer will post a notice on the Human Resources Employment website, sending a copy to the Association, that summarizes the results of these posted positions. For each position, the notice will indicate:

- (a) the name of the successful applicant, the new classification, department, and position vacancy number; or
- (b) that the position posting was cancelled.

Within five (5) working days of the position posting being cancelled the Employer shall notify the Association, in writing of reasons, for the decision.

6.5.1 Unsuccessful applicants who have been interviewed will be notified in writing as soon as possible, normally within ten (10) working days following the appointment decision.

6.6 REASONS FOR SELECTION DECISIONS

In cases where an applicant with lesser seniority than another applicant is chosen, the administrator making the choice shall provide reasons for the decision. An applicant with greater seniority than the applicant chosen may discuss the reasons with the administrator concerned. Where the Association wishes to know the reasons for a decision, they shall contact Human Resources who will obtain the information and send it to the Business Agent of the Association.

- 6.6.1 An Employee who is an unsuccessful applicant for a position may grieve the selection citing the provisions of the Collective Agreement alleged to have been breached. Where a selection results in a grievance, the appointment shall then be considered as temporary until the grievance is resolved. An Employee who is removed, as a result of such a grievance, from a position awarded him/her shall be returned to his/her former position and salary, if any, or any comparable vacancy.

6.7 PROBATIONARY PERIOD

A new Employee who is appointed to a position must successfully complete a probationary period consisting of six (6) months or 910 working hours whichever occurs first. "Working hours" for the purpose of a probationary period shall include only time which the Employee is actually at work. An Employee who is appointed or transferred to a position and who has not previously completed a probationary period must complete a probationary period in that position.

During this period, the probationary Employee's performance will be reviewed with the Employee. The Employer recognizes the need for a reasonable familiarization and training period for the Employee to learn the duties of a new position and, therefore, agrees to take this into consideration solely for the purpose of evaluating the Employee's performance. Where, during the probationary period, the Employer finds that there is reasonable doubt concerning an Employee's performance, the Employer may decide to extend the probationary period by one additional period of time which is not greater than the length of the original period. The Association will be notified in writing of any such extension. The Employee will be notified in writing of this extension, stating the area of concern. An Employee on a probationary period who does not wish to complete the probationary period or who proves to lack the ability to perform the job satisfactorily, may have his/her employment terminated, or be returned to his/her casual status if he/she had formerly been a casual Employee.

6.7.1 NOTICE OF TERMINATION OF EMPLOYMENT OF EMPLOYEE ON PROBATION

An Employee on probation whose employment is terminated shall be given five (5) working days written notice. Failure by the Employer to give the aforementioned notice

will require payment by the Employer in lieu of notice equivalent to the amount of notice which is lacking. The requirement for notice may be waived by mutual agreement between the Employer and Employee.

The Employer shall not be required to provide notice of termination when there is Employee misconduct as referred to in the Employment Standards Code (2007) (see Appendix 1), or in cases of sexual harassment.

6.7.2 NOTICE OF RESIGNATION OF EMPLOYMENT BY EMPLOYEE ON PROBATION

An Employee on probation shall not resign his/her employment with the Employer without having given, to his/her supervisor, five (5) working days written notice of his/her intention to quit. The requirement for notice may be waived by mutual agreement between the Employer and Employee.

6.8 TRIAL PERIOD

An Employee who successfully bids on a Position Vacancy or an Employee who is transferred to a position without a posting, in accordance with Clause 6.2 or Article 10, and who has previously completed a probationary period must complete a trial period of 420 working hours or six months whichever occurs first. "Working hours" for the purpose of a trial period shall include only time which the Employee is actually at work. The Employee's performance will be reviewed with the Employee during the trial period. The Employer recognizes the need for a reasonable familiarization and training period for the Employee to learn the duties of a new position and therefore agrees to take this into consideration solely for the purpose of evaluating the Employee's performance. Where, during the trial period, the Employer finds that there is reasonable doubt concerning an Employee's performance, the Employer may decide to extend the trial period by one additional period of time which is not greater than the length of the original period. The Association will be notified of any such extension. The Employee will be notified in writing of this extension, stating the area of concern. An Employee on a trial period who does not wish to complete the trial period, or who proves to lack the ability to perform the job satisfactorily, shall receive ten (10) working days written notice of lay-off. During this notice period the Employee will have the following options:

- (a) returning to his/her former position in the bargaining unit providing that the Employee had previously successfully completed a trial or probationary period in that previous classified position; or
- (b) accepting a placement to be arranged by the Human Resources Department into an available vacant position, the duties of which he/she is qualified to perform; or

(c) accepting the lay-off subject to the provisions of Clauses 10.5.1 and 10.5.2.

Any other Employee who would be removed by an action taken under clause 6.8 (a) shall also be entitled to the procedure and options listed above. However, if the affected Employee has no former position to be returned to, he/she shall be laid off.

N.B. Clause 10.3.1 establishes a different trial period which provides, if necessary, a retraining period to meet the minimum qualifications that would have been posted under normal circumstances. This re-training period comprises part of the normal trial period in the application of Clause 10.3.1.

6.9 FAMILIARIZATION PERIOD

Where an Employee is placed in a position without posting in accordance with Clause 10.3.5 as a result of exercising his/her seniority to avoid a lay-off, then the Employee shall receive a 140 working hours familiarization period in the position.

"Working hours" for the purpose of a familiarization period shall include only time which the Employee is actually at work, including paid breaks under Clause 11.4.

ARTICLE 7 JOB SECURITY, TECHNOLOGICAL & ORGANIZATIONAL CHANGE AND CONTRACTING OUT

7.1 It is recognized by the University and the Association that a fair and right solution of the problems of Employees who are displaced by technological, organizational change or contracting out, calls for understanding and care on the part of the University and willingness to face reasonable readjustments on the part of the Employee(s) concerned.

7.1.1 A "technological change" means:

- i) the introduction by the Employer of equipment or material of a different nature or type than that previously utilized by the Employer, or
- ii) a change in the manner in which the Employer carries on the work that is directly related to the introduction of that equipment or material.

7.1.2 An "organizational change" shall be defined to be any merger, amalgamation, combination or elimination of any of the Employer's departments or organizational units.

7.2 NOTICE OF TECHNOLOGICAL, ORGANIZATION CHANGE OR CONTRACTING OUT

Where the Employer proposes to effect a technological, organizational change or contracting out that is likely to affect the terms and conditions, or the security of employment of a significant number of Employees or to alter significantly the basis upon which the Collective Agreement was negotiated, the Employer shall give notice of the technological, organizational change or contracting out to the Association as far in advance as possible, but in no case less than ninety (90) calendar days before the date on which the change is to be effected.

7.2.1 The notice referred to in Clause 7.2 shall be in writing and shall include a detailed description of the following:

- (a) the nature of change;
- (b) the proposed date of the change;
- (c) the approximate number of Employees likely to be affected by the change and their classifications and departments;
- (d) the effect that the change is likely to have on the terms and conditions, or security of employment of the Employees affected, or the alteration that is likely to be made to the basis upon which the Collective Agreement was negotiated;
- (e) the Employer's assessment of foreseeable changes in skill requirements, job functions and health and safety conditions; and
- (f) other pertinent data relating to the effects of the change on Employees.

7.2.2 Where the Association believes that the Employer has failed to give notice in accordance with Clauses 7.2 and 7.2.1, the Association may refer to arbitration, the question of whether the Employer has effected a change referred to in Clause 7.2.

7.2.3 Within five (5) working days of the Employer's providing the information outlined in Clause 7.2.1, the Parties shall meet to discuss all aspects of the intended change in a sincere effort to assess problems which may arise from the change and to explore solutions to these problems.

7.3 If, after the application of Clause 10.2.1,

- (a) a regular Employee will be displaced from his/her position by a technological, organizational change or contracting out, and
- (b) a vacant position exists within the bargaining unit such that if the Employee were to be placed into it, then a reasonable change in the Employee's duties may be involved and/or retraining which is reasonably within his/her capacity may be required,

then the Employee shall be informed of:

- i) the duties of the position, and
- ii) any retraining required.

The Employee shall then be offered the position. If he/she refuses the position, then Clause 7.3.2 shall apply. If he/she accepts the position, then Clause 7.3.1 shall apply.

- 7.3.1 Where the Employee accepts an alternative position in accordance with Clause 7.3, he/she will continue to receive his/her previous salary for his/her retraining period provided that if the retraining period exceeds six (6) months, then after six (6) months, his/her salary will be that of the new position.

Any retraining in accordance with Clause 7.3.1 shall be provided during the Employee's regular hours of work (unless mutually agreed to otherwise) and at no additional cost to the Employee.

- 7.3.2 Where the Employee refuses to accept an alternative position in accordance with Clause 7.3, he/she will be offered any available position, but in this case, his/her salary will be established in accordance with the rate of pay for the position.

- 7.3.3 An Employee may accept lay-off as an alternative to re-assignment. If an Employee accepts lay-off, then he/she shall be entitled to the appropriate salary entitlement period in accordance with Clause 10.4.

In the event that the Employer contracts out, displacing an Employee who qualifies for salary entitlement benefits under Clause 10.4, the maximum benefit in Clause 10.4 shall be 180 working days. Should an Employee secure employment with such a contractor, the maximum benefit shall be as provided in Clause 10.4, or, if the maximum benefit has been exceeded, cease effective the date of employment with the new contractor.

- 7.4 When technological, organizational change or contracting out will result in a reduction or displacement of a significant number of Employees, the University will notify the Association of the new proposed complement as soon as possible prior to implementation for the purpose of discussion of the treatment of Employees affected by the change. Where agreement cannot be reached, the matter may be submitted to the grievance and arbitration procedure in accordance with Article 21 to determine a fair and right solution of the problems of Employees who are displaced by technological, organizational change or contracting out.

8.2 LOSS OF SENIORITY

An Employee shall lose his/her seniority if:

- (a) The Employee is dismissed and is not reinstated;

- (b) The Employee voluntarily terminates his/her employment, by retirement or resignation in accordance with Clause 10.10 or 10.11.

- (f) Regular Employees who fail to accept a recall in accordance with the provisions of Clause 10.9.3 shall be deemed to have resigned.

8.3 SENIORITY LIST

In May and November of each year the Employer shall post a seniority list for the bargaining unit on its Human Resources website. The list will include: full name, classification, Employee code, department, service start date and accumulated service as at March 31 in the case of the May posting and as at September 30 in the case of the November posting. An Employee or the Association may have an error corrected by submitting details of the error in writing to the Human Resources Department, together with a copy of any supporting documentation, within twenty (20) working days of the posting.

ARTICLE 9 DISCIPLINE AND DISMISSAL

9.1 Employees shall not be disciplined or dismissed except for just cause.

9.2 STEPS IN DISCIPLINE AND DISMISSAL

Employees shall not be suspended or dismissed without observance of the following steps, except in the case of severe problems such as those referred to in the Employment Standards Code (2007) (see Appendix 1), sexual harassment or in accordance with Clause 6.7.

(a) STEP 1 - ORAL WARNING

The Employer shall:

- i) give the Employee reasonable notice of the meeting and that the Oral Warning will constitute the first step of the discipline and dismissal procedure; and
- ii) inform the Employee that he/she is entitled to have a representative of the Association present at the meeting, and that it is the responsibility of the Employee to contact the Association if he/she desires same. The Association, if requested by the Employee to attend the meeting, will notify Human Resources, in order to ensure that a representative from Human Resources is in attendance. If a representative of Human Resources has been asked to attend the meeting, the representative shall inform the Association of the meeting.
- iii) meet with the Employee for the purpose of discussing and resolving the problem(s);

During the meeting the Employer shall inform the Employee of the area(s) of concern and the remedial action expected. Following the meeting the Employer shall summarize the content of the Oral Warning in writing to the Employee and place the summary in the Employee's personnel file in the Human Resources Department. The Association shall be provided with a copy of the Oral Warning.

This summary shall be reviewed at the request of the Employee or the Employer three (3) months from the date of issuance. The summary shall be removed from the Employee's personnel file six (6) months from the date of issuance unless further disciplinary action in accordance with Article 9 has been taken in that period of time.

Review or expiry dates of letters of discipline shall be determined using only those calendar months within which the employee has actually worked.

(b) STEP 2 - LETTER OF WARNING

If the problem(s) dealt with in the Oral Warning is/are not resolved or if an additional problem(s) arise(s) while an Oral Warning is in effect, then within six (6) months of the Oral Warning and following consultation between the appropriate manager and the Human Resources Department, a Letter of Warning may be issued to the Employee. The Employer shall meet with the Employee to review the content of the Letter. The Employer shall:

- i) give the Employee reasonable notice of the meeting and that it will constitute the second step of disciplinary procedure; and
- ii) inform the Employee that he/she is entitled to have a representative of the Association present at the meeting, and that it is the responsibility of the Employee to contact the Association if he/she desires same.

The Employee concerned may request the presence of a representative of the Association who shall be advised in advance by the Employee of the time and place of the meeting. The Employer will notify the Association in writing of the Letter of Warning.

When the Letter of Warning is no longer appropriate, the Association and the Employee shall be so notified in writing and the Letter and any document confirming an oral warning shall be removed from his/her personnel file. If the Letter of Warning has not been removed from the Employee's file within three (3) months from its date of issuance, the Letter shall be reviewed with the Employee and a written progress report made, a copy of which shall be given to the Employee. The Employee concerned may request the presence of a representative of the Association who shall be advised in advance by the Employee of the time and place of the meeting.

If no further disciplinary action in accordance with Article 9 has been taken within six (6) months of the issuance of the Letter of Warning, the Letter of Warning shall be deemed to be no longer appropriate and the Letter of Warning, progress report(s) and any document confirming an oral warning shall be removed from the Employee's personnel file. The Human Resources Department will notify the Employee and the

Association in writing of the removal of these documents from the Employee's personnel file.

Review or expiry dates of letters of discipline shall be determined using only those calendar months within which the employee has actually worked.

(c) STEP 3 - SUSPENSION

If the problem dealt with in the Oral Warning and/or Letter of Warning is/are not resolved or if an additional problem(s) arise(s) while a Letter of Warning is in effect then within six (6) months of the issuance of the Letter of Warning and following consultation between the appropriate manager and the Human Resources Department, the Employee may be suspended, without pay for up to three (3) days. Any suspension shall be confirmed in writing to the Employee specifying the reasons for the suspension. A copy of the Letter of Suspension is to be sent to the Human Resources Department, which will in turn notify the Association in writing of the suspension.

If the Letter of Suspension has not been removed from the Employee's file within six (6) months of the suspension, the Letter of Suspension shall be reviewed with the Employee and a written progress report made, a copy of which shall be given to the Employee. The Employee concerned may request the presence of a representative of the Association who shall be advised in advance by the Employee of the time and place of the meeting.

If no further disciplinary action in accordance with Article 9 has been taken within twenty-four (24) months of the suspension, then the Letter of Suspension, the Letter of Warning, the progress report(s), and any document confirming an oral warning shall be removed from his/her personnel file. The Human Resources Department will notify the Employee and the Association in writing of the removal of these documents from the Employee's personnel file.

(d) STEP 4 - DISMISSAL

If the problem(s) dealt with in the Letter of Warning, and/or Letter of Suspension is/are not resolved or if an additional problem(s) arise(s) following a suspension then following consultation between the appropriate manager and the Human Resources Department the Employee may be dismissed within twenty-four (24) months of the suspension. Any dismissal shall be confirmed in writing to the Employee. A copy of the letter of dismissal is to be sent to the Human Resources Department, which will in turn notify the Association in writing of the dismissal.

9.3 An Employee who is suspended or dismissed shall not require notice of suspension or dismissal.

9.4 EMPLOYEE MAY GRIEVE DISCIPLINE

If the Employee feels any disciplinary proceeding is unjust, he/she may resort to the grievance procedure as outlined in Clause 21.6. Failure to grieve previous discipline, or to pursue any such grievance to arbitration, shall not be considered to be an admission that such discipline was justified.

9.5 DISCIPLINE AND ILLNESS

No Employee who is under the care of a doctor and is following the prescribed course of treatment shall be dismissed or disciplined for physical or mental illness. In such cases, the provisions of Article 15 will apply to an Employee who is unable to perform the duties of his/her position.

9.6 Demotion shall not be used as a disciplinary measure.

ARTICLE 10 POSITION DISCONTINUANCE, LAY-OFF, RECALL AND RESIGNATION

10.1 DEFINITIONS

For the purposes of this Collective Agreement:

- a) the term "lay-off" means the Employer's separation of an Employee from his/her employment due to lack of work (whether such was caused by shortage of funds with which to continue an operation, by diminution of the demand for such operation, by a change in priorities or by a scheduled annual lay-off), whether indefinitely or for any definite period. A sessional lay-off is a lay-off, the period of which has been defined in the position posting for a sessional position.
- b) a designated Employee is an employee who has received a notice of position discontinuance and whose notice period has not yet expired.
- c) a grant funded Employee is an employee who is employed in a grant funded position as defined in Clause 2.6.1(c).

10.2 POSITION DISCONTINUANCE (REGULAR EMPLOYEES)

- 10.2.1 In the event of the discontinuance of a position, the regular Employee in the discontinued position shall receive a notice of position discontinuance. The notice of position discontinuance shall be in writing and shall provide the designated Employee with a minimum of forty (40) working days notice of the potential lay-off.

10.2.2 Within five (5) working days of the issuance of the notice of position discontinuance, a meeting shall be arranged by the Human Resources Department to discuss the designated Employee's options in accordance with this Article. A representative of the Association will attend the meeting and participate in the identification of available options.

10.2.3 If the Employer fails to give the required notice of position discontinuance the Employer shall provide the Employee with:

- i) employment at his/her regular salary for performing similar work, or
- ii) pay in the amount equivalent to the amount of notice that is lacking.

10.3 OPTIONS FOR DESIGNATED EMPLOYEES

Regular Employees who have received a notice of position discontinuance shall have the following options:

TRANSFER

10.3.1 The Human Resources Department shall provide the designated Employee with the option to transfer into an available vacant continuing or sessional position at the same or any lower classification level for which the designated Employee could reasonably be expected, at some time during a sixty (60) working day training period, to meet the minimum qualifications that would normally have been posted.

10.3.2 In arranging the transfer of a designated employee in accordance with Clause 10.3.1, the Human Resources Department shall select the most senior designated Employee from all available designated Employees at the time the transfer is being made. The retraining period shall comprise part of the normal trial period during which time the provisions of Clause 6.8 shall apply.

10.3.3 The Human Resources Department, in consultation with the hiring department, shall determine the retraining requirements, if any, and communicate these to the Employee. The Employer shall provide any necessary retraining to the Employee during the training and trial period. Retraining should not be limited to on-the-job training.

10.3.4 In the implementation of Clauses 10.3.1 to 10.3.3:

- a) where the designated Employee is a part-time Employee, only vacant part-time positions shall be considered for the transfer;
- b) where the designated Employee is a full-time Employee, vacant part-time and full-time positions shall be considered separately for the transfer, and the designated

Employee shall choose between the highest level vacant part-time and full-time positions (if both exist).

- c) In every case sessional positions shall be considered separately from other continuing positions, and the designated Employee shall choose between the highest level vacant sessional and non-sessional positions (if both exist).
- d) If the Employee chooses to accept a vacant sessional position and if the Employer intends to fill a vacant continuing position in the same classification held by the Employee prior to the position discontinuance and if the Employee could reasonably be expected, at some time during a sixty (60) working day training period, to meet the minimum qualifications that would normally have been posted, then the Employee will have preference for the available vacant continuing position.

EXERCISE OF SENIORITY (BUMPING)

10.3.5 If, by the end of the notice of position discontinuance period, either:

(a) the designated Employee has not been provided with the option of accepting a transfer;

- or -

(b) the designated Employee has been provided with the option of accepting a transfer to a position at a lower classification and has chosen not to accept the transfer;

Then, the Employee shall have the option of exercising his/her seniority (bumping) in accordance with the following process:

The designated Employee shall be placed in the position held by the most junior Employee in that classification providing that the designated Employee is qualified to perform the duties of the position.

10.3.6 In situations where the designated Employee is the only Employee in that classification, the Employee shall be placed in the position held by the most junior Employee in the classification which is one level lower than the classification of the designated Employee provided that classification is within the same family of classifications.

10.3.7 In identifying the appropriate position the Employer shall only consider positions in the same position category as defined in Clause 2.6.1. Employees who are displaced in the application of this sub-clause shall become a designated Employee and shall be entitled to the applicable provisions of Article 10.

10.3.8 In order to facilitate the bumping process the Human Resources Department will provide a list of potential positions and those meeting the above criteria to the Association's Business Agent. Potential placements will be reviewed with the Association's Business Agent.

10.3.9 The provisions of this clause (Bumping) shall not apply to grant funded Employees employed after March 20, 2011,

Employees employed in grant funded positions employed after March 20, 2011 can not be displaced by the application of this clause (Bumping).

LAYOFF

10.3.10 If by the end of the notice of position discontinuance period the designated Employee:

- a) has not been provided with the option of accepting a transfer and has chosen not to exercise his/her seniority (bump); or
- b) has been provided with the option of accepting a transfer into a position at a lower classification and has chosen not to accept the transfer and not to exercise his/her seniority (bump); or
- c) has been provided with the option of accepting a transfer into a position at the same classification and has chosen not to accept the transfer.

then he/she shall be laid off.

10.4 SALARY ENTITLEMENT PERIOD

10.4.1 REGULAR EMPLOYEES

- (a) Any regular Employee who is laid off, other than a sessional lay-off, and who has not had the option of accepting a vacancy at the same classification level, the same hours of work and position categories (as per Clause 2.6.3), shall have his/her salary maintained while on lay-off for a Salary Entitlement Period (SEP) equal to ten (10) working days for each year of seniority or part thereof, to a maximum of one hundred and eighty (180) working days.
- (b) The Employee shall have his/her benefits (except sick leave and Long Term Disability) maintained during the Salary Entitlement Period up to a maximum of one hundred and twenty (120) working days. However, for any remaining portion of the Employee's Salary Entitlement Period he/she may maintain benefits (except sick leave and Long Term Disability) by paying both the Employer and Employee costs.

- (c) In the case of an Employee laid off after an unsuccessful trial period, the same classification level shall refer to the level held prior to entering the trial period.

NOTE: See Letter of Understanding titled: "RE: Application of Clause 10.4 - Salary Entitlement Period (SEP) - Re-Employment During Seniority Retention Period and Subsequent Lay Off".

10.4.2 TERM EMPLOYEES

- (a) Should a term employee continue in a term position for longer than three (3) years from the date of the initial appointment, the Employee shall be entitled, at the end of their term appointment, to a Salary Entitlement Period that is equivalent to that of a laid off regular Employee as set out in Clause 10.4.1 of this agreement.
- (b) In the event that a term Employee is offered a comparable term or regular position within the University during the Salary Entitlement Period, the Salary Entitlement shall cease on the date on which the Employee would have been hired into the new position.

10.5 OPTIONS FOR EMPLOYEES ON LAY-OFF

10.5.1 While on lay-off an Employee may do any or all of the following:

- (a) Apply for any vacancies other than those for which the Employee has refused a placement offer. Upon request, copies of postings for specified types of positions will be sent to the Employee.

Where a vacancy exists, preference will be given to the laid off regular Employee or term Employee with at least 2.00 years of service (other than an Employee on sessional lay-off) with the greatest seniority who has applied for the vacancy and who is qualified to perform the duties of the position, provided that the vacancy is not at a higher classification level than that which the Employee held immediately prior to lay-off.

For higher classifications, or in the case of a sessional lay-off, the Employee will be considered the same as other applicants.

- (b) Apply for a temporary position or casual employment. The Human Resources Department, with the agreement of the laid off Employee, will circulate to all appropriate Managers notification of the laid off Employee's availability for casual or temporary employment. In addition, on a quarterly basis, an updated list of all available laid off Employees shall be circulated to all appropriate Managers. Copies of the notification and lists shall be sent to the Association.

c) Terminate employment by resignation.

10.5.2 A regular Employee on lay-off, whose position has been discontinued, shall be provided with an opportunity to accept temporary or casual employment resulting from that position discontinuance. This temporary or casual employment may occur on short notice and as a result reasonable attempts will be made to contact the Employee by telephone.

10.5.3 An Employee who has been temporarily laid off may, at his/her request, have part or all of his/her vacation entitlement held until he/she returns to work.

10.5.4 The Association shall be notified in writing of all regular Employees who are laid off.

10.6 NOTICE OF LAY-OFF (SESSIONAL, TERM, TEMPORARY, CASUAL EMPLOYEES)

10.6.1 The Employer shall provide in writing to the affected Employee(s) as much notice as possible of expected lay-off but in any event:

- (a) all sessional Employees to be placed into sessional lay-off shall receive a minimum of ten (10) working days written notice of lay-off;
- (b) all term Employees shall receive a minimum of ten (10) working days notice of lay-off;
- (c) temporary Employees who have not received, at the time of hire, notice of when the position ends and who are then laid off, shall receive a minimum of five (5) working days written notice of lay-off;
- (d) casual Employees who have not received, at the time of hire, notice of when the employment ends and who are then laid off, shall receive a minimum of one (1) working day notice of lay-off. Casual Employees who are found unsuitable for the work that is required, unless dismissed in accordance with Article 9, will be returned to the status of a casual without loss of seniority with the required notice.

10.6.2 If the Employer fails to give the required notice of lay-off, the Employee shall be paid in lieu of notice an amount equivalent to the amount of notice that is lacking.

10.7 RETENTION OF SENIORITY

An Employee who is laid off shall retain his/her lay-off status and seniority, subject to the provisions of Clause 8.2, for up to:

- (a) Twelve (12) months for a regular or term Employee;

(b) Nine (9) months for a Student Assistant, temporary or casual Employee.

10.8 PARTIAL REDUCTION OF HOURS

- 10.8.1 The Employer agrees that no partial reduction of the hours of work within a Department shall be instituted without due regard for the provisions of Clauses 10.2 and 10.3. In the event of a lack of work referred to in Clause 10.1 (a), the provisions of Clause 10.3 through 10.7 shall apply.
- 10.8.2 The Employer agrees that in the application of this clause the Employee will have an Association representative present at any meeting in which a continuing or sessional position with reduced hours of work is offered as an alternative to lay-off.
- 10.8.3 The Parties also agree that in the event that an Employee accepts a continuing or sessional position with reduced hours as an alternative to lay-off and, subsequent to accepting this alternative, an additional part-time or full-time continuing or sessional position is required to be filled within the same Department and at the same classification level, the Employee who accepted the reduction in hours of work shall have the first opportunity of returning to his/her former full-time status if qualified or if the Employee could reasonably be expected at some time during a sixty (60) working day training period to meet the minimum qualifications that would normally have been posted.

This provision shall apply for the duration of the Employee's time at the reduced hours.

10.9 RECALL

- 10.9.1 A recall shall mean that a regular Employee on lay-off is called back to work in a continuing or sessional position within his/her former classification and with a similar number of hours per week. No new Employees shall be hired to continuing or sessional positions in that classification until laid off regular Employees have been given the opportunity of recall.
- 10.9.2 If a position becomes vacant, designated Employees shall be considered for the vacancy prior to consideration of recall. In the event that there are no designated Employees eligible for a vacant position, a laid off regular Employee shall be recalled provided the laid off Employee has the qualifications to perform the duties of the position. Laid off regular Employees shall be recalled in order of seniority.
- 10.9.3 To recall a laid off Employee, the Employer will notify the Employee by registered mail. It shall be the responsibility of the Employee to keep the Human Resources Department informed of his/her current address and telephone number. In the event that an Employee who is recalled does not accept the recall, for reasons other than illness or other reasonable grounds, within five (5) working days thereafter, he/she shall

be deemed to have resigned. Laid off Employees who are recalled shall be permitted to give their current employer, if any, required notice of termination, to a maximum of ten (10) working days, in order to accept recall.

10.10 NOTICE OF EMPLOYEE RESIGNATION

10.10.1 All Employees when resigning their employment with the Employer shall provide in writing to their supervisor as much notice as is possible of their intention to quit.

10.10.2 The minimum notice period for regular and term Employees shall be ten (10) working days, for temporary Employees shall be five (5) working days, for casual Employees shall be one (1) working day.

10.10.3 Upon mutual agreement by the Employer and the Employee, the requirement for notice of intention to quit may be waived.

10.11 ABSENCE WITHOUT AUTHORIZATION

Any Employee who is absent from work (except as provided in Clause 15.5 and Clause 16.1) for three (3) consecutive working days without authorization may, at the Employer's discretion, be deemed to have resigned without notice unless the Employee can prove that a request for authorization was not possible due to circumstances beyond the Employee's control.

ARTICLE 11 HOURS OF WORK

11.1 Regular full-time hours of work for the various classifications (as set forth in Schedule A which is appended hereto and forms part of this Collective Agreement) shall be defined to be seven (7) hours per 24-hour day and thirty-five (35) hours per week. However, the regular full-time hours of work for a group of Employees (listed in the Letter of Understanding dated January 25, 1995) are governed by this Letter of Understanding.

The University agrees that the full-time hours of work, as defined above, will not be changed during the term of the Collective Agreement except through a Letter of Understanding.

11.2 MODIFIED WORK WEEK

A request for a modified work week shall be given due consideration by the Employer. A modified work week may include, but is not limited to, flextime, banked time, or a compressed work week. If approval is granted by the Employer for a modified work

week, the terms and conditions of the modified work week shall be confirmed by a Letter of Understanding.

11.3 BANKING OF REGULAR TIME

When an Employee requests an exchange of work for time off, or time off for work, such exchange shall be at a mutually agreed time on an equal time basis and not on a rate of pay basis. The request for and decision regarding such an exchange shall be in writing prior to the change, if any, in the work schedule for an Employee.

11.4 PAID BREAKS

Every Employee shall be entitled to two (2) fifteen (15) minute paid breaks from work during each regular working day as defined in Clause 11.1 at times approved by the Employer. Employees working less than the number of hours per day as set out in Clause 11.1 shall receive a fifteen (15) minute paid break from work during each work period of three and one-half (3 1/2) hours duration. These breaks do not constitute time for the purposes of banking time. In the event that reasonable refreshment facilities are not available, the break time may be extended by mutual agreement between the Employee and the appropriate Manager.

11.5 MEAL BREAKS

Meal Breaks of less than one (1) hour in duration may be observed when mutually agreed upon by the Employer and the Employee.

11.6 WEEKEND WORK

Except as may be set out in the terms of a modified work week or as required by overtime, each Employee shall receive two (2) consecutive days off per week. Where possible, those days shall be Saturday and Sunday. However, a part-time Employee may request additional hours of work in lieu of two (2) consecutive days off per week.

Where the operations of an area require that one or more Employees work on a Saturday and/or a Sunday, Employees who are hired specifically to work these days shall be advised at the time of hire. Otherwise, the two (2) consecutive days off shall be assigned to the Employees concerned in such a manner that each Employee who requests weekends off shall receive an equitable share of free weekends providing the needs of the department can be met.

ARTICLE 12 OVERTIME, CALLBACK, MEAL ALLOWANCE, STANDBY PAY, SHIFT PREMIUM, AND TRAVELLING EXPENSES

12.1 OVERTIME

All time worked in excess of the regular full-time hours as specified in Clause 11.1 (except where the time so worked is part of a time exchange as provided in Clause 11.3) must be authorized by the Employer before it shall be considered as overtime. Except in emergency situations, authorization must be obtained in advance.

12.2 CALLBACK

The leave without pay for health reasons would commence immediately after expiration of the Employee's sick leave entitlement in accordance with Clause 15.2.1, and is subject to the Employee providing satisfactory medical documentation.

15.2.4 If the Employee is able to return to work in his/her former position during the twenty-four (24) month leave without pay for health reasons, the Employee shall have the option to be returned to his/her former position or accept any available vacancy at the same classification level or lower for which he/she is qualified. The current incumbent(s) of any position filled as a result of the vacancy caused by the leave without pay for health reasons shall be returned to his/her former position unless a suitable vacancy exists to enable a placement, thereby avoiding the displacement of the other Employee(s). Return to work following the leave without pay for health reasons is subject to the Employee providing satisfactory medical documentation confirming that the Employee is able to return to work.

15.3 SICK LEAVE - THOSE NOT ELIGIBLE FOR LONG TERM DISABILITY

All Employees not eligible for the Long Term Disability Income Plan shall be entitled to a sick leave benefit accumulation of ten (10) hours upon completion of the equivalent of two hundred (200) hours of employment. Employees should not receive combined salary and wage loss benefits in excess of 100% of sick leave salary from the two sources for the same absence from work.

An Employee who qualifies for wage loss replacement benefits from Manitoba Public Insurance shall either:

- (a) continue to receive their regular salary, as if on sick leave benefits from the University, and have the wage loss replacement benefits resulting from the motor vehicle accident reimbursed to the University and offset against the Employee's salary so as to preserve the non-taxable nature of MPI benefits, or
- (b) if the process in (a) is problematic to either the Employer or the Employee, the Employee shall receive their wage loss replacement benefits from MPI and the Employer will pay to the Employee a top-up sick leave benefit equal to the difference between the Employee's sick leave salary for the period of absence from work related to the injury and the MPI wage loss replacement benefits.

For purposes of the Collective Agreement, the Employee shall be considered as on sick leave for the duration of entitlement to wage loss replacement benefits or until all sick leave entitlement has been taken in which case the normal provisions of long term disability coverage shall apply.

Normal pension and benefit contributions shall be continued based on the Employee's regular salary while on sick leave.

However, the Employer, through Human Resources, may request that a medical certificate be provided in circumstances including but not limited to a prolonged absence, a situation where there has been frequent use of sick leave, or where the Employer has reasonable cause to believe that sick leave is being misused.

A request for a medical certificate will be made during the period of sickness. In cases of misuse or frequent use of sick leave, prior to the next absence, the Employer may require that a medical certificate be provided in cases of further sick leave absences. In circumstances where a medical certificate has been requested for future absences that request shall not be in effect for a period longer than six (6) months. At the completion of the six month period, the Employer will review the request for a medical certificate. Where the Employer finds that there is a reasonable need for a longer period, the Employer may extend the request for an additional six (6) months. A reasonable amount of time shall be allowed for the Employee to comply with the request.

Employees shall request that the medical certificate state the dates on which the Employee was unable to attend work and the general nature of the sickness or injury. In the case of an absence for a lengthy duration, the certificate shall state a prognosis as to the expected date of return to work. Where the Employer is not satisfied with the information contained in the medical certificate provided by the Employee, the Employer may request additional information on a form provided by the Employer.

Medical certificates shall be retained in a separate, confidential file within Human Resources and shall be accessible only to designated staff within Human Resources who have responsibility for administering sick leave or LTD benefits.

- 15.6.1 In cases of long term or frequent sick leave claims, the Employer may require the Employee to obtain a second medical opinion by having the Employee take part in an independent medical examination. A physician shall be provided by the Employer through its service provider to conduct the independent medical examination. The Employer shall provide the Employee with the physician's name along with the date, time, and location of the examination. The Employee will provide written authorization for his/her physician to make the required information available to the physician providing the independent medical examination. The Employer will pay the full cost of the independent medical examination . Normally, the independent medical examination, will take place during the Employee's regular working hours and the Employee shall suffer no loss of wages for taking part in the examination.
- 15.6.2 The precise details of the second medical opinion report generated from the independent medical examination shall be treated as confidential between the Employee's physician(s), the Employer's service provider, and designated Human Resources staff involved in administering benefits. The summary information, including the nature of the illness and the statement(s) of the physician providing the independent medical examination, regarding the effect the illness may have upon the Employee in the workplace, shall also be treated as confidential. However, representatives of the Employer who require the information in order to make an informed decision concerning the Employee shall have access to the summary information.
- 15.6.3 If an Employee fails to furnish a medical certificate when requested under Clause 15.6 or in the event the Employee does not provide the written authorization referenced in Clause 15.6.1, or refuses to participate in the independent medical examination, his/her absence from work may be considered as unauthorized and consequently without pay.

15.7 RETURN TO WORK AFTER SICK LEAVE OR LTD

An Employee who is able to return to work prior to the expiration of his/her sick leave period shall be returned to his/her former position. If the Employee is able to return to work in his/her former position during the first two (2) years of qualifying for the Long Term Disability Plan, the Employee shall have the option to be returned to his/her former position or accept any available vacancy at the same classification level or lower for which he/she is qualified. The current incumbent(s) of any position filled as a result of the vacancy caused by the disability shall be returned to his/her former position unless a suitable vacancy exists to enable a placement, thereby avoiding the displacement of other Employees.

15.8 TERMINATION OF LONG TERM DISABILITY BENEFITS

An Employee who ceases to qualify for payment of benefits under the Long Term Disability Income Plan after having so qualified for two (2) years shall be placed into a

position within the same classification as his/her former position, with no decrease in salary or benefits, unless:

- (a) the Employee is not able to perform the duties of any such position which is available; or
- (b) no such position is available.

In the latter two (2) cases the provisions of Clause 10.3 shall be applied as if the Employee were a "designated Employee", except that the period of Notice of Lay-off shall be without pay.

- 21.3 Matters to be dealt with under the provisions of this article may be discussed during working hours.

- 21.4 For the purpose of Article 21 the term "working day" means any of the days in the interval from Monday to Friday not designated as a paid holiday pursuant to Article 13.

An Employee who has a grievance shall consult the Association within ten (10) working days of the date upon which the Employee should reasonably have known of the event(s) giving rise to the grievance. The grievance shall then be reduced to writing and signed by the Employee. The written grievance shall then be delivered to the

appropriate Manager or to the Vice-President (Human Resources, Audit and Sustainability) within twenty (20) working days of the date upon which the Employee knew or ought to have known of the event(s) giving rise to the grievance. The Employer will be notified in writing of such action.

The Association shall be notified in writing of such action.

21.9 ARBITRATION

When, pursuant to this Collective Agreement, either Party requests that any matter be submitted to arbitration, the Parties agree to the use of a single person arbitration board. The following persons will be called upon, on a rotation basis commencing with the first person on the list, who shall then serve at the first arbitration. Thereafter for each successive arbitration the person on the list immediately following the last person to have served as arbitrator shall then be called upon to serve. In the event the person requested to serve as arbitrator is unavailable, the next person on the list will be requested to serve.

1. Mr. Richard Deeley
2. Ms. Diane Jones, Q.C.
3. Mr. Blair Graham

21.9.1 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the grievance or matter.

21.9.2 The Arbitrator shall hear and determine the subject of the grievance and shall issue a decision which is final and binding upon the Employer, the Association and any Employee affected by it.

21.9.3 The Arbitrator shall determine the real issue in dispute according to the merits and shall make whatever disposition he/she deems just and equitable.

21.9.4 The Arbitrator shall have jurisdiction to determine any dispute as to whether a grievance is arbitrable, however, no matter shall be subject to arbitration which involves:

- (a) any request for modification of the Collective Agreement;

- (b) any matter not covered by the Collective Agreement;

- 21.9.6 The Arbitrator shall not be authorized to make any decision inconsistent with the provisions of this Collective Agreement, nor alter, modify or amend any part of this Collective Agreement.
- 21.9.7 The Parties and the Arbitrator shall have reasonable access to the Employer's premises to view working conditions, equipment or operations which may be relevant to the resolution of a grievance.
- 21.9.8 Each of the Parties shall pay one-half of the remuneration and expenses of the Arbitrator.

ARTICLE 22 COLLECTION OF DUES

- 22.1 The Employer shall deduct from the salary of each Employee, an amount equal to regular monthly dues and any assessments which are established by the Association. These deductions will be mailed to the Office Administrator of the Association within ten (10) working days of the deduction. Accompanying these deductions will be a list showing the name of each Employee for and on behalf of whom such deductions have been made, and the amount deducted in respect of each such Employee.
- 22.2 Deductions for new Employees shall be calculated from the date of employment and made on the first pay date.
- 22.3 The Employer shall include on each Employee's T4 slip the total amount of dues and assessments deducted from the Employee's pay in the previous year.
- 22.4 The Employer shall not be held liable for the wrongful deduction of money for Association dues and assessments resulting from an error in the Association's instructions.
- 22.5 Normally, a minimum of one (1) month notice must be given by the Association to the Employer of any change in the amount of dues or assessments.

ARTICLE 23 CLASSIFICATION ADMINISTRATION

23.1 The Employer will ensure that a position description exists for each regular or term Employee's position.

23.1.1 The Human Resources Department will make available to the Employee a copy of the description of the Employee's assigned position, guidelines and forms for writing position descriptions and will ensure that to the extent that it is reasonably practicable, every position description is clear, complete and up to date.

23.1.2 It is the Employer's right to determine the job that is to be performed. All finalized job descriptions require the approval of the appropriate manager.

The description of the assigned work that is being performed is normally to be written by the appropriate Manager with the Employee and, when complete, is to be signed by them.

23.1.3 Within twenty (20) working days of a regular Employee's successful completion of a probationary or trial period the Employee and the appropriate Manager shall meet to review the appropriateness of the position description for the Employee's position.

23.2 CLASSIFICATION SYSTEM

A position is assigned a classification based upon the contents of the position description in the following manner:

- (a) The position description is evaluated using the Hay System to derive a point value.
- (b) The most appropriate classification for the position is selected in consideration of both the characteristic duties of the position description relative to those in classification specifications and the number of Hay points assigned to the position description relative to the Hay point ranges specified for each classification in Schedule A.

23.2.1 New classifications may be created and the characteristics of existing classifications may be modified provided that the Parties agree upon each new or modified classification's name, Hay point range, classification specification and salary scale in a Letter of Understanding.

23.3 CLASSIFICATION REVIEW

It is the Employer's intent that requests for classification review will be processed as quickly as possible.

Therefore, whenever:

- (a) a significant change is made to a position description and a Request for Classification Review Form has been completed; or
- (b) 23.3(a) does not apply but a Request for Classification Review Form has been completed and six (6) months have elapsed from any previous Request for Classification Review of the same position by the same Employee; or
- (c) a position description is written for a new position.

Then either:

- 23.3.1 (a) The draft job description together with a completed Request for Classification Review form signed and dated by either the employee or the appropriate Manager, will be sent to Human Resources with a copy to either the employee or the appropriate Manager.

When the job description is finalized, the appropriate Manager shall process the Request for Classification Review Form, obtain all necessary signatures as presented on the Form and submit to Human Resources for review;

- or -

- (b) If the job description has already been agreed upon by the employee and the appropriate Manager, then both shall sign and date the job description and a Request for Classification Review form and the appropriate Manager shall process the Request for Classification Review Form, obtain all necessary signatures as presented on the Form and submit to Human Resources for review.

- 23.3.2 The Human Resources Department shall, within ten (10) working days of receipt of the request for classification review:

- (a) Acknowledge receipt of the request, and confirm that the request meets one of the three criteria outlined in 23.3.
- (b) Where the request includes a completed job description, the receipt will provide an expected date for the results of the review.
- (c) Where the request includes only a draft or unsigned job description, the receipt will include information to assist the employee and supervisor in completing the job description and the time line for completion.

23.3.3 The Manager and Employee shall meet within twenty (20) working days of the original submission to Human Resources to finalize the position description.

Should the parties not be able to come to agreement and finalize the position description, or if the appropriate Manager and the employee have not made arrangements to meet to discuss a job description proposed by one of them, then Human Resources will assist both parties in writing a position description that accurately describes the assigned job.

23.3.4 A Joint Classification Review Committee shall be established for each requested position description review and shall consist of two (2) representatives from each Party. The Association representative shall be determined by the Association. The representatives shall be persons trained in the Edward N. Hay ("Hay") System of job evaluation. Hay point values shall be determined by a consensus of the Committee members and shall be based upon the content of the position description.

A copy of each position description together with the request for Classification Review form shall be made available to each Committee Representative at least three (3) days prior to the Joint Classification Review meeting. The Committee members shall make reasonable effort to reach a consensus. If however, no consensus is reached, the evaluation shall be determined by the representative of the Employer.

23.3.5 If the Joint Classification Review Committee finds that:

- (a) the position description is inadequate, incomplete or unclear, the position description shall be returned to the Human Resources Department to be modified and re-written as per Clause 23.1.2. The position description shall be returned to the Joint Classification Review Committee; or
- (b) it requires clarification of the position description, the Committee shall contact the Employee and his/her appropriate Manager for clarification in writing. Information for the purpose of clarifying a position description shall be documented in the position description.

23.3.6 The Human Resources Department shall, within twenty (20) working days of receipt of the request for classification review, notify the Employee and appropriate Manager who submitted the request of:

- (a) the decision of the Joint Classification Review Committee; or
- (b) the date by which the Committee expects to have made a decision.

If the Joint Classification Review Committee has not made a decision by the date specified in the notice then the Human Resources Department will keep the Employee

and the appropriate Manager informed of the status of the request and any other date by which the Committee may be expected to have made a decision.

- 23.3.7 The Employee and the appropriate Manager shall be notified in writing of the final results of the review including the classification assigned, the Hay Point Range for the classification and whether the review has changed the Hay Point evaluation.

23.4 CLASSIFICATION APPEAL

An Employee or his/her appropriate Manager who feels that a position has been incorrectly classified by the Joint Classification Review Committee may file a written appeal using the Request for Classification Appeal form with the Joint Classification Appeal Committee, established pursuant to Clause 23.4.1 in care of the Human Resources Department. The written appeal, specifying the basis of the appeal, must be submitted no later than twenty (20) working days from receipt of the Joint Classification Review Committee's decision on the request for classification review.

- 23.4.1 A Joint Classification Appeal Committee shall be established for each appeal and shall consist of two (2) representatives from each of the Parties. The representatives shall be persons who have been trained in the Hay System of job evaluation. No person who was directly responsible for the evaluation or classification of the position description immediately prior to the submission of the appeal may be appointed as a representative. The Joint Classification Appeal Committee shall meet to resolve each appeal. Decisions of the Committee shall be made by a consensus of its members.

In the event that the Appeal Committee cannot reach a consensus then a new Appeal Committee will be formed. This new Appeal Committee will consist of a new representative from each Party who has not had direct responsibility for the evaluation or classification of the position description immediately prior to the submission of the appeal and one representative from each Party of the original Appeal Committee. Decisions of the Committee shall be made by consensus of its members.

- 23.4.2 The Human Resources Department shall, within ten (10) working days of receipt of the appeal, acknowledge its receipt and forward the appeal with all supporting documentation submitted by the Employee and his/her appropriate Manager to the Joint Classification Appeal Committee.

- 23.4.3 If:

- (a) the Joint Classification Appeal Committee decides that additional information is necessary or appropriate, the Committee or at least one representative from each of the Parties as described in 23.4.1 shall contact the Employee and the appropriate Manager for clarification. Both the request and the response(s) shall be in writing;

- (b) the representatives and/or additional information submitted as per Clause 23.4 or the information presented to the Joint Classification Appeal Committee as per Clause 23.4.3(a) results in a change in the position description, then the position description shall be returned to the Human Resources Department to be re-written as per Clause 23.1.2. The approved re-written position description shall be returned to the Joint Classification Appeal Committee prior to the Committee rendering a final decision on the appeal. Final decisions of the Committee shall be based only on the information presented in the position description.

23.4.4 The Human Resources Department shall, within twenty (20) working days of receipt of the appeal, notify the incumbent and his/her appropriate Manager of:

- (a) the decision of the Joint Classification Appeal Committee; or
- (b) the date by which the Committee expects to have made a decision.

If the Joint Classification Appeal Committee has not made a decision by the date specified in the notice, then the Human Resources Department will keep the incumbent and the appropriate Manager informed of the status of the appeal and any other date by which the Committee may be expected to have made a decision.

23.4.5 The decision of the Joint Classification Appeal Committee shall be final and binding and is not grievable. The decision of the Joint Classification Appeal Committee shall be communicated in writing to the Employee and the appropriate Manager.

23.4.6 The position which was the subject of the appeal may not be the subject of a subsequent request for classification review until either:

- (a) six (6) months shall have elapsed since the decision was rendered by the Committee; or
- (b) the responsibilities of the position have seen a significant change.

23.5 JOB RECLASSIFICATION AND SALARY ADJUSTMENT

In the event that a position is reclassified as a result of the review and/or appeal process, the resulting salary adjustment date shall be effective on the first day of the pay period that includes the date of the earliest signature on the Request for Classification Review Form.

23.6 RECLASSIFICATION AND POSTING

Unless otherwise mutually agreed upon between the Employer and the Association, where a change of duties and responsibilities to a position description results in an

increase in classification of more than two (2) classification levels through the classification review or appeal process, the position shall be posted in accordance with Article 6. The original position shall be discontinued, and the incumbent shall be treated in accordance with the appropriate provisions of Article 10.

If there is a decrease in classification of more than one classification level then the original position shall be discontinued and the incumbent treated in accordance with Article 10. The reclassified position shall be made available for a transfer under Clause 10.3.1. It shall be posted if no transfer is made.

In the event that the Joint Classification/Appeals Committee determines that, in its opinion, a change of duties and responsibilities to a position description results in a new position being created then the Committee shall recommend to the Employer and Association that the new position be posted. The position will not be posted unless the Employer and the Association mutually agree upon this course of action. In the event the Employer and the Association do not mutually agree and the position is not posted, then the Association may proceed through the grievance and arbitration procedures outlined in Article 21.

Where a reclassified position is to be posted, the original position shall be discontinued, and the incumbent shall be treated in accordance with the appropriate provisions of Article 10.

- 23.6.1 Where the classification review or appeal process results in a position changing classification families, the number of classification levels the position has increased will be determined by a comparison of the salary ranges.

ARTICLE 24 SALARY ADMINISTRATION

- 24.1 An Employee's salary is subject to review when one of the following occurs:
- (a) The Employee is appointed to a new position as a result of successfully bidding on a posted vacancy. This process is referred to as an appointment.
 - (b) The Employee is temporarily assigned to a new position in accordance with Clause 24.3. This process is referred to as a temporary appointment.
 - (c) The Employee accepts a placement or transfer to a new position in accordance with Article 6 or 10. This process is hereinafter referred to as a transfer.
 - (d) The Employee's classification changes. This process is referred to as a reclassification, the procedure for which is outlined in Article 23.

24.2 APPOINTMENTS

There are three types of appointments that may occur and normally they can be identified by a comparison of the salary ranges:

- (a) an appointment to a position in a lower level classification;
- (b) an appointment to a position in the same or similar level classification;
- (c) an appointment to a position in a higher level classification.

24.2.1 APPOINTMENT TO A POSITION IN A LOWER LEVEL CLASSIFICATION

The Employee will be appointed at an appropriate salary step of the lower level classification in consideration of the experience and qualifications that the Employee is bringing to the lower level classification. In no case may the Employee be appointed at a salary which is greater than the Employee's current salary.

24.2.2 APPOINTMENT TO A POSITION IN THE SAME OR SIMILAR LEVEL CLASSIFICATION

The Employee's current salary and step will be maintained unless his/her qualifications and experience are not relevant to the position and the Employee requires a significant retraining period, in which case the Human Resources Department shall be consulted for guidance in determining an appropriate salary step for the appointment.

In no case may the Employee be appointed at a salary which is less favourable than that which would have been granted under Clause 24.6 to a new Employee with equal qualifications.

24.2.3 APPOINTMENT TO A POSITION IN A HIGHER LEVEL CLASSIFICATION

The Employee's current salary and step will normally increase to the lowest step value in the higher level classification which will result in an increase no less than the value of one step in the lower level classification. However, if the Employee's current salary is greater than the salary for the Employee's step in the lower level classification, the Employee's step in the higher level classification shall be determined using the provisions of this clause as if the Employee's salary were equal to the salary for the Employee's step in the lower level classification. The Employee's current salary shall, if necessary, be increased to the salary for the step so determined in the higher level classification. In no case may the Employee be appointed at a salary which is less favourable than that which would have been granted under Clause 24.6 to a new Employee with equal qualifications.

24.2.4 Where an Employee accepts a transfer pursuant to Clause 10.3.5 from a first position to a second position in a lower level classification to avoid lay-off, and subsequently is the successful applicant on a third or subsequent position which is of a higher level classification than the second position but not of a higher level classification than the first position, then:

An appropriate step placement will be determined for the third or subsequent position using the appropriate provisions of Clause 24.2 as if the Employee had moved directly from the first position to the third or subsequent position.

24.3 TEMPORARY APPOINTMENT

(a) Where an Employee has been temporarily assigned and does perform all of the duties of a position at a higher level classification for a period of time greater than three (3) continuous working days, a salary adjustment shall be made as outlined in Clause 24.2.3 for all time so worked. The temporary assignment shall not exceed three (3) months' duration.

Assistance in determining whether an Employee qualifies for a temporary appointment or the amount of the salary adjustment is available at the Human Resources Department.

Upon request from the Association or an affected Employee, the Parties shall meet to discuss any problems or concerns related to an assignment of an Employee on a Temporary Appointment to duties assigned by another Manager or an assignment to perform duties within another Department.

(b) Where the Employer wishes to fill a vacancy with a temporary appointment and such a temporary appointment requires an Employee to relinquish his/her current duties in exchange for assuming all of the duties of another position and the duration is intended to or does exceed three (3) months, then the availability of such a temporary appointment for internal applicants only shall be posted on the official staff notice boards. The posting shall contain the expected end date of the temporary appointment. Employees holding such a temporary appointment will be returned to his/her former position following such an appointment.

24.3.1 "All of the duties" under Clause 24.3 means all of the duties that would have been performed by the incumbent during the period in which he/she has been replaced and are those duties and responsibilities that place the position at a higher level classification.

24.3.2 Where an Employee does not qualify for a temporary appointment in accordance with Clause 24.3.1 but the Employee has assumed some of the duties of a higher level position, an Employee may request that a description of those duties be submitted to the

Human Resources Department for evaluation and determination as to the appropriateness of a temporary appointment salary adjustment.

24.3.3 The salary adjustment referred to in Clause 24.3.1 and 24.3.2 will not apply during periods of scheduled absences due to vacation in the case of an Employee whose position description specifies that he/she relieves the higher level position during periods of normal absences.

24.3.4 The process for determining the salary for an employee in a temporary appointment as described in Clause 24.3 shall be repeated after an anniversary increment date occurs during a temporary appointment. The results of this process shall determine the salary adjustment from the anniversary date.

24.4 TRANSFERS

The salary considerations for a transfer are the same as for an appointment as outlined in Clause 24.2.

24.5 RECLASSIFICATIONS

The salary considerations for a reclassification are the same as for an appointment as outlined in Clause 24.2 except that if a position is reclassified to the next lower level classification as a result of the elimination of position duties, then the Employee's salary shall be no less than the lesser of:

- (a) the highest step in the new range; and
- (b) his/her salary prior to reclassification.

24.6 NEW HIRES

A new hire is the successful applicant hired to a position who is not at the time of hire an Employee, as defined in Article 2. A new hire's salary shall normally be that of Step 1 of the salary range for the classification of the position for which he/she has been hired; however, a placement may be made at the pay step in the salary range quoted which is equivalent in years to the level of competence attained by the successful applicant through previous directly applicable experience and training, up to a maximum of the mid-point of the steps of the salary range for the classification. The Human Resources Department shall be consulted in all cases. Where a step higher than Step 1 is used, a memo giving reasons for this decision will be placed in the Employee's file. Where there is a question concerning the placement of an Employee in a step higher than Step 1, the Association will, upon request to the Human Resources Department, be informed of the reasons on file.

24.7 ANNIVERSARY INCREMENTS

An Employee's initial "Anniversary Increment Date" is the date on which the Employee has accumulated the equivalent of one (1) year of service (excluding overtime hours) since his/her original date of hire. One year of service for the purpose of anniversary increments for a part-time Employee shall be calculated as service accumulated in the bargaining unit. Where a temporary or casual Employee is appointed to a position in accordance with Clause 24.1(a) or (c) and his/her temporary or casual employment has been used in the determination of a step placement greater than step 1 under Clause 24.2.2 or 24.2.3; the Employee's Anniversary Increment Date will be established as one (1) year of service (excluding overtime hours) from the appointment date. If the Employee's temporary or casual employment is not used to arrive at a step placement greater than step 1, the Anniversary Increment Date will be established as one (1) year of service (excluding overtime hours) from the original date of hire.

Subsequent Anniversary Increment Dates shall occur after the completion of one (1) year of service (excluding overtime hours) from the Employee's previous Anniversary Increment Date. An Employee working less than the full-time hours as defined in Article 11 will be eligible for an anniversary increment when he/she has accumulated one year of service in the bargaining unit from his/her previous anniversary increment date.

- 24.7.1 Subject to the provisions of Clause 24.7.2, an Employee's step shall be increased to the next higher step, if any, within the classification of his/her position on his/her Anniversary Increment Date, and his/her salary shall, if necessary, be increased to the salary for that higher step. This process shall be referred to as an "Anniversary Increment".

An Employee shall receive an Anniversary Increment effective the first day of the pay period within which his/her Anniversary Increment Date falls.

- 24.7.2 The Employer shall fairly evaluate the performance of each Employee prior to the Employee's Anniversary Increment Date, recording the results on a Performance Review form within twenty (20) working days preceding the Anniversary Increment Date. The Employer shall discuss the completed form with the Employee and give him/her a copy of it. The Employee may add his/her own comments to the form and/or may make such comments in a separate document which the Employer shall, upon receipt, attach to the form. If an Employee's performance is "Unsatisfactory" then the Employer may withhold the Employee's Anniversary Increment, provided that before the Employee's Anniversary Increment Date the Employer gives the Employee a copy of the form outlining the reasons for the "Unsatisfactory" rating and the performance improvement required. The form shall also specify a date, not less than twenty (20) or more than sixty (60) working days after the Anniversary Increment Date, when the Employee's performance shall again be fairly evaluated using the same Performance

Review format. The Employer shall discuss the completed form with the Employee and give him/her a copy of it, and the Employee may comment upon it as outlined above. If the Employee's performance is "Unsatisfactory" then the Employer may further withhold the Employee's Anniversary Increment, and shall specify another review date as outlined above (and so on). Otherwise, the Employee's Anniversary Increment shall be implemented effective from the latest specified review date.

An Employee's Anniversary Increment Date shall not change as a result of the application of the provisions of this clause. Application of this clause does not preclude the taking of any disciplinary action as outlined in Article 9.

In addition to the process identified above the Employer shall annually complete an interim performance evaluation form for all part-time employees in sessional positions and provide each Employee with a copy of the form together with the notice of sessional lay-off.

24.7.3 When an Employee's Anniversary Increment Date falls during a period when the Employee is on sick leave, the decision to grant or withhold an increment may be postponed until the Employee's return to work. When the decision to grant or withhold an increment has been postponed and the Employee does not return to work but goes directly on to disability, then the decision to grant or withhold the increment shall be made on the last day of the Employee's sick leave. Increments which are granted shall be effective on the Employee's Anniversary Increment Date. Increments which are withheld shall be based on an unsatisfactory performance review.

24.8 Employees shall be paid bi-weekly in accordance with the rates in Schedule "A". A bi-weekly pay period shall consist of fourteen (14) calendar days commencing 12:01 a.m. Sunday to 12:00 midnight Saturday. The Employer shall not make deductions from wages unless authorized by statute, court order, arbitration award, the Employee, or this Collective Agreement.

24.8.1 The normal method of payment shall be by direct deposit to any chartered bank in Canada and to those other financial institutions as approved from time to time by the financial institution responsible for the University's payroll production.

24.9 TRANSITIONAL PROVISION

In the event that an Employee's salary is greater than the salary for the highest step in the salary range for the classification of the position, the Employer and the Association may mutually agree to a formula designed to ease the transition into the new salary range. Such an agreement shall be contained in a Letter of Understanding between the Parties.

ARTICLE 25 PERSONNEL FILES

25.1 There shall be one (1) official University file, hereinafter referred to as the personnel file, which shall be the only file used in decisions respecting any and all terms and conditions of employment of an Employee. The personnel file shall be maintained by the Human Resources Department and stored in the Human Resources Department.

25.2 Notwithstanding Clause 25.1, copies of some or all of the material contained in the official personnel file may also be kept in departmental files or in the President's Office. Such material shall be kept under lock and key.

25.3 PERSONNEL FILES - EMPLOYEE ACCESS TO

Upon request and by appointment each Employee and his/her authorized agent (such authorization to be in writing) shall have the right of access to the contents of his/her personnel file. RE: APPLICATION OF CLAUSE 10.4 - SALARY ENTITLEMENT PERIOD (SEP) - RE-
EMPLOYMENT DURING SENIORITY RETENTION PERIOD AND SUBSEQUENT
LAY OFF

Where an employee has been laid off and has received part or all of his/her SEP and has been re-employed by the University within the period of seniority retention (Clause 10.7) and then is laid off again, the Parties agree to apply Clause 10.4 in the following manner:

1. If the employee has received his/her full SEP prior to re-employment then only the seniority the employee has accumulated after re-employment shall be used to calculate the SEP.
2. If the employee is re-employed during the period that he/she is receiving SEP payments then SEP payments shall cease as at the first day of re-employment.
3. If the employee is subsequently laid off then only the seniority the employee has accumulated after re-employment plus the seniority equivalent to the unused portion of SEP shall be used to calculate the SEP.
4. Example to illustrate points 1 & 3 above:

Seniority at first lay off = 10.00 years

Salary Entitlement = $10 \times 10 = 100$ working days

Employee is re-employed after receiving 80 working days SEP

Remaining SEP = 20 working days

Seniority equivalent of remaining SEP = 2.00 (20/10)

Employee is laid off after 2.0 years of being re-employed
Seniority for SEP calculation = 2.00 (# of years after re-employment) + 2.00 (equivalent seniority not received previously) = 4.00 years
SEP = 4.00 yrs seniority x 10 working days = 40 working days

RE: REVIEW OF WORKLOADS AND WORKLOAD MANAGEABILITY

This Letter of Understanding was entered into between the Parties during collective bargaining for the 2011-15 Collective Agreement and the parties agree that the provisions hereof shall apply for the duration of the said Agreement.

During bargaining, AESES raised the issue of recognizing and dealing with perceptions of excessive workload in some areas of the University.

The parties acknowledge the desire and responsibility of employees to perform at an effective and productive level. The parties further acknowledge the importance of providing a mechanism for . employees to voice concern without fear of retaliation or reprisal if they perceive that their ability to fulfill this desire and responsibility is hampered by an excessive workload. In that regard, the parties agree as follows:

- 1) If a concern regarding excessive workload arises, the Employee should first discuss the concern with his/her supervisor who shall attempt to resolve the matter either on their own or through discussion with the appropriate senior manager;
- 2) If the Employee's concern remains unresolved, the Employee should contact AESES and should it be required the matter shall thereafter be discussed in a timely manner between AESES and the Human Resources Department. If the parties are of the view that the concern is a reasonable one which is likely to remain in effect for a significant period of time, the parties agree to discuss and consider possible options to assist the Employer in efforts to resolve the concern;
- 3) It is agreed that there shall be no retaliation by the Employer against an Employee by virtue of the fact that the Employee has raised a concern regarding workload in accordance with this Letter of Understanding;

- 4) In support of the mutual desire of the parties to recognize and deal with perceptions of excessive workload, the Employer undertakes to develop and provide training for designated supervisors and managers in the area of workload assessment and management.

RE: TRAINING AND DEVELOPMENT

The Employer recognizes that job-related training and career development are important elements in achieving the University's goals and objectives. The Employer also acknowledges its responsibility to provide adequate job specific training. Accordingly, during the course of this collective agreement, the University will undertake to promote an environment that is conducive to employees developing and obtaining required job-related skills, knowledge, and abilities, and shall encourage managers and employees to discuss career development goals and objectives.

AESES acknowledges that Employees also have a responsibility to identify to their supervisor the need for additional job specific training. AESES and the University agree that identifying career development goals is an Employee initiative, and that managers are responsible for helping Employees chart a path toward those goals.

The Employer has noted that existing centralized training funds are not being fully expended. In order for the Employer to apply existing training and development budget more effectively, the Employer commits to seeking Employee input on training and development needs, and, where appropriate, to provide courses on campus that will enhance employee skills development within the available budget.

In particular, the parties recognize that additional efforts are required to enhance Employees' skills in coping with the introduction of new technology. Therefore, the University shall undertake the following:

1. Projects that introduce significant new technology, or significant enhancements to existing technology shall ensure, to the greatest extent possible, the sufficiency of resources to ensure effective staff training;
2. Where the change is significant or affects a large portion of the University's workforce, to provide post implementation training support;

3. Training schedules will be developed in consultation with Managers to ensure that staff will be available for identified and scheduled training without undue disruption to normal work.

FOR INFORMATION ONLY

This section has been included for information purposes only. It is not to be regarded as part of the Collective Agreement.

Groups of employees at the University of Winnipeg include AESES members, UWFA-Main (University of Winnipeg Faculty Association) members, other academic staff, IUOE (International Union of Operating Engineers) members, and the Confidential, Managerial and Professional excluded group, and the Executive employee excluded group.

The AESES (Association of Employees Supporting Education Services) Business Office is located at 103-900 Harrow St. East (telephone 949-5200). The University of Winnipeg Human Resources Department is located on-campus on the seventh floor of the Rice Building (telephone 786-9400, internal extension 9400).

A. INTERFACE: AESES AND HUMAN RESOURCES

As a union, AESES exists to represent the interests of its members. Employees of the University are elected to serve as Board Representatives, Executive members, and to serve on various AESES committees as well as joint committees with the University. Some of the joint committees work on such issues as classification reviews and appeals, external classification comparisons, joint benefits, etc. Informed AESES committee members can give advice to AESES members and are a resource not to be overlooked.

The role of the Human Resources Department is to work with the management and employees to ensure that the Collective Agreement and University policies and procedures are administered consistently within the University community. In administering the Collective Agreement, the representatives of the Human Resources Department are normally required to represent the management of the University.

I. Contract Administration

Contract administration includes the interpretation of University policies and the Collective Agreement, participation in negotiations, and representation of the appropriate side in support staff grievances.

From the AESES perspective, the Business Agent and the Contract Administrator are closely involved in this work. After a Collective Agreement has been ratified, an AESES Bargaining Team member is elected (by the team that concluded the Collective Agreement) to serve as the Contract Administrator for the duration of the Collective Agreement. For the University, the roles most closely involved with contract administration are the Human Resource Consultants. (Contact information is available on the Human Resources webpage).

II. University Policies

The University of Winnipeg has a Policy Manual which, in part, specifies for AESES members items not expressly covered by the Collective Agreement. These policies apply to specific staff groups at the University. If you would like additional information on these policies, contact your immediate supervisor, the Human Resources Department (786-9400) or at www.uwinnipeg.ca/admin/hr/policies.htm, or the AESES Office.

III. Employment

Employment involves matching up qualifications to vacancies and arranging transfers where desired or necessary. Vacant positions are posted on the University webpage hr.uwinnipeg.ca. The majority of grievances tend to arise because a person applied for a job and did not get it. Such members often feel that their qualifications, seniority, or both, were not taken into sufficient consideration. If your concern is in this area, the people in AESES to call are the Contract Administrator or the Business Agent.

In the Human Resources Department, please contact one of the Human Resource consultants. They can provide advice and guidance as to the qualifications necessary for particular career paths and for enhancement of promotion opportunities.

IV. Position Descriptions, Classification Reviews & Appeals

A system of position classification is in place at the University of Winnipeg, to ensure that similar jobs receive similar pay. The system is known as the Hay Evaluation System, and is designed to evaluate the "know-how", "problem-solving", "accountability", and "working conditions" for each AESES position within the University.

However, the whole system stands or falls on the quality of the position description for the position which is being evaluated. Because of this, the Collective Agreement provides a procedure which allows you to have your position description reviewed by a Joint Classification Review Committee and if you are not satisfied with the results, appeal the decision to a Joint Classification Appeals Committee.

If you encounter problems with your position description, the length of time an appeal is taking, or any other related matter, you should contact the Contract Administrator or the Business Agent at the AESES Office. The person to contact in the Human Resources Department is the appropriate Human Resource consultant, who can assist you with the preparation of your position description.
